WALK-IN INTERACTION FOR PROSPECTIVE FACULTY CANDIDATES

Walk-in Interaction: The candidates having required qualifications in the following Departments can appear for walk-in interaction with the academic delegation led by The Director, IIT Ropar. This interaction is aimed at identifying the interested candidates for faculty positions at IIT Ropar. Walk-in interaction fulfils one of the requirements of faculty selection process of IIT Ropar, i.e. candidates recommended by the delegation need not appear in person for seminar, and interview.

Department(s)
Computer Science and Engineering
Chemical Engineering
