Advertisement for Project Research Scientist I (Non Medical) in ICMR Project

Applications are invited from suitable candidates for the position of **Project Research Scientist I (Non Medical)** to work on the ICMR project entitled "AURA-M (Automated Unified Risk Assessment in Myeloma)- A machine learning-augmented risk stratification system for multiple myeloma" under the supervision of the PI of the project at IIT Ropar. The detailed information is given below:

Description	Details
Principal Investigator (PI)	Dr. Sukrit Gupta (PI)
Name of Position	Project Research Scientist I (Non Medical)
No. of Position	One
Essential Qualification	<ul style="list-style-type: none">• B.E./B.Tech* in the domains of Computer Science/Artificial Intelligence/Data Science/Information Technology from a recognized university/institute, with first class (minimum 75% marks or 7.5 CGPA). For B.E./B.Tech holders, valid GATE/UGC-NET/CSIR/DST-INSPIRE qualification is required unless the degree was awarded by a Centrally Funded Technical Institute (CFTI) with a CGPA of at least 7.5/10 or 75% aggregate marks at graduation; or• M.Tech/M.E. in the domains of Computer Science/Applied Mathematics and Scientific Computing/Artificial Intelligence/Data Science/Information Technology from a recognized university/institute, with first class (minimum 60% marks or 6.0 CGPA). Candidates holding an M.Tech or M.E. degree are NOT required to have a valid GATE qualification; or• M.Sc. in Data Science and Management or Data Analytics or other relevant disciplines can also apply. Valid GATE/UGC-NET/CSIR/DST-INSPIRE qualification is required.• The selected candidate shall be expected to enroll as a full-time, self-sponsored PhD student at IIT Ropar in the relevant department upon joining. Admission to the PhD program will follow IIT Ropar regulations for self-financed candidates and departmental shortlisting criteria, including written test/interview. No financial support for PhD tuition/registration will be provided by the project or the institute; consolidated salary and benefits will be paid solely from the ICMR project grant. <p>* Note that candidates in the final semester of their Bachelor's studies may apply for the position but their appointment will be conditional to the successful completion of their degree with the prescribed conditions (if any). All the above conditions will still have to be satisfied.</p>
Nature of work	Research and Development in the domain of DL in Healthcare. Preferable Qualification: <ul style="list-style-type: none">• Experience and deep interest in pursuing research in the domains of Deep Learning, Biomedical Data Analysis or Medical Image Analysis.• Strong programming skills (Python, PyTorch, or similar).• Previous involvement in academic research projects and/or publications.
Tenure of Post / Nature of Appointment	Project duration is 3 years. Initial appointment is 1 year (with extension after one year). The post is purely temporary and co-terminus with the project.
Age Limit	35 years
Fellowship per month	Rs. 56,000 + HRA
Last date to apply	24th June, 2026
How to apply	Fill the Google Form on: https://forms.gle/S6VEk5wZ75MjrAso6
Note:	<ul style="list-style-type: none">• Only shortlisted candidates will be communicated through Email tentatively by 29 June, 2026 to appear for an online interview. The date of the online interview will be notified on 30 June, 2026.• No TA/DA will be given to the candidates for attending the interview.• The position is available immediately, so the selected candidate is expected to join immediately.• Those who are already working under various research schemes and desire to be considered for the post should send their applications through proper channel to the undersigned with NOC certificate from the employer that he/she will be relieved immediately, if selected.
Dr. Sukrit Gupta (PI) Department of Biomedical Engineering; and School of AI and DE, IIT Ropar	

Application Form – Project Research Scientist I (Non Medical)

Application No.: _____ (For office use only)	Passport-size Photograph
